WE NEED YOU!

The Panda PTA is finishing its first year at the preschool. They have done an amazing job, for being the first preschool PTA and we are so proud! To date, they have raised over \$1800.00 to benefit the preschool. With that money the PTA sponsored teach-

er mini-grants, purchased a sound system for the campus, and designed the awesome T-Shirts that are for sale. Here's where we need you... Currently, the PTA consists of teachers and other support staff from the preschool. We are asking YOU to consider

being on the PTA next year. We need and want more parent involvement, and the board needs fresh members! If interested please contact mshook@besd33.org or come to the front office.
