BESD

A Note From Your Director

This has been another amazing year! I want to personally thank each and every one of you for trusting us with your children and for investing in the BESD Preschool. The staff and I are truly committed to your children and to excellence. I cannot wait for another year and consider myself so incredibly lucky to be a part of this team. As always, if you are happy with us, please feel free to pass along the word to anyone you might know looking for a preschool. To celebrate the end of the school year, the preschoolers will be enjoying a water fun day on Tuesday, May 16th. A flyer will be coming home with more information. If you have questions, please contact your child's teacher.

The last day of school for students attending the developmental program is Tuesday, May 16th. The last day for students in the community program is Thursday, May 18th.

To our 2017 graduates: I think I can speak for all of the preschool staff when I say that this graduating class will be missed! We know each of you will rock in Kindergarten! We look forward to seeing the rest of you over the summer or when school resumes August 2nd!

Enjoy the Summer!

Mrs. Tarango
