HAPPY FALL Y'ALL!

Hello Friends and Families of the BESD Preschool! I want to take a minute to express my gratitude for the amazing support of the Panda PTA and all of the phenomenal parent volunteers we have had this month! I love seeing all of the volunteers on campus and I know the teachers appreciate your help. If you are interested in volunteering or helping the PTA, please call our office or email mshook@besd33.org. As many of you know, we are getting into a difficult season for many families. If you have any unused diapers (open packages are fine) and wipes that you would be willing to donate we would truly appreciate the help! Also, if you are willing to donate to your child's classroom or the preschool, I have "wishlists" from each teacher. Thank you for your consideration and generosity!

As you know, I like to leave you with a little something that you can do at home with your children. This is a fun recipe I tried myself; hope you enjoy it as much as we did in my house. Have a wonderful fall break. Be safe.

Your Director,
Brittany Tarango

Kool-Aid Play Doh
1 cup flour
¼ cup salt
1 teaspoon cream of tartar
1 tablespoon vegetable oil
2 Kool-Aid packets
¾ cup of water

Mix all the ingredients into a bowl and stir them until they are all wet and mixed. Put your bowl into the microwave for 50-60 seconds. Stir the edges of your bowl and then let it sit for a minute to set. With a spatula stir the dough and then scrape it out of the bowl. Add another tablespoon of flour to your table surface and dump the dough onto it. Work the playdough until it is elastic.
